**DONOGHUE BARRETT & SINGAL** is a firm clients trust for strategic and legal counsel across three core practice areas: health law, government relations, and litigation. We combine deep industry knowledge, dynamic thinking, and collaborative approach to help clients achieve their most important objectives. Since its founding in 1989, Donoghue Barrett & Singal has built a stellar reputation as trusted advisors to a growing list of clients ranging from individuals to Fortune 500 companies.

**REAL-WORLD EXPERIENCE FOR REAL-WORLD CHALLENGES.** Our health law attorneys have worked in the medical field. Our criminal defense attorneys have been prosecutors. Our government relations attorneys have served in government. This hands-on experience makes for a deeper understanding of the challenges and constraints clients face and illuminates a broader range of responses to multi-dimensional issues.

**HEALTH LAW.** Co-founder Paul Barrett and Jeffrey Chase-Lubitz lead one of the largest health law benches of any Boston-area law firm. Our team of senior practitioners bring decades of hands-on experience from the hospital floor to the boardroom to solve clients' strategic challenges. Our full array of healthcare-related services includes mergers and acquisitions, joint ventures, coalition building, and legal counsel related to corporate matters and financing.

**LITIGATION.** Bruce Singal, who leads the Litigation practice, is experienced in white-collar criminal defense and civil litigation. His team represents individuals and corporations charged with, or investigated for, healthcare fraud, bank fraud, securities fraud, public corruption, tax offenses, and other white-collar crimes. The group also represents clients in civil litigation and conducts internal investigations and compliance audits.

**GOVERNMENT RELATIONS.** Roger Donoghue, head of Government Relations, has a long-standing reputation as one of the Commonwealth's most experienced lobbyists. He and his team of senior partners provide strategic planning, grassroots organizing, and lobbying before the legislative branches on behalf of clients across a broad array of industries.

**REPRESENTATIVE INDUSTRIES INCLUDE:** Ambulatory Care; Biomedical / Pharmaceutical; Construction; Education; Elder Care; Engineers; Government Contractors; Healthcare Providers; Home/ Hospice Care; Hospitality; Hospitals; Innovative Technology; Insurance; Managed Care; Non-profit; Pharmacies; Physicians; Professional Associations; Professional Services; Professional Staffing; Quasi-Public Agencies; Real Estate; Scientific Research; State & Local Government; Technology; Transportation.
